Your membership requires that you understand, and abide by the IRCC By-laws, Policies and Field Safety Rules. These will be mailed to you within a few days, or may be accessed on the IRCC website. **It is your responsibility to know and understand them.** All new memberships are confirmed at the second regular club meeting following the receipt of a new member application in accordance with ARTICLE III, Paragraph A of the Club By-Laws.

As an IRCC member you will be expected to contribute to the club. The operational expenses of our club are partially offset by money raised through club functions, which require volunteer man-power. These activities also improve member relations.

Field security is very important. If you are the last to leave, please remember to close and lock the gate.
